Teaching and research activity notebook

PhD STUDENT:

CYCLE:

SUPERVISOR: Prof/Dott

According to decision of the PhD Board (document #5 of 27/01/2020) PhD students are required to attend the following training activities during the three years:

Mandatory activities:

-**Annual internal educational** offer for the PhD course: minimum 30 hours

-**C1 English course** for PhD students provided as a transversal teaching by the University of Pisa: 30 hours (to be attended in the first year)

-**Transversal teaching** of the training plan offered by the University of Pisa specifically for doctoral students: minimum 30 hours among the provided modules

-**Seminar teaching:** at least 6 seminars chosen from those proposed within the PhD course or the Department of Pharmacy, related to issues consistent with the educational objectives of the PhD course (approved annually)

Optional activities

- **C1 plus English course** for PhD students provided by the CLI language center: 30 hours (strongly recommended; to be attended in the second year)

- **Higher education courses:** Contamination lab and / or PhD Plus (33 hours each), summer/winter schools (strongly recommended)

Any variation to the teaching activities must be agreed with the Supervisor and authorized by the Board.
